ZACHARIE JONES

Santa Clara, CA - (408) 431-6182 - zachariejones@gmail.com - https://linkedin.com/in/zacharie-jones
Software Engineer with a focus on crafting enjoyable front-end experiences that save users time and money

PROFESSIONAL EXPERIENCE

Read.ai   **Dec 2021 - Present**
Software Engineer, Front End   *Remote - Seattle, WA*
- Partnered with backend team to design and launch a Google Calendar chrome extension through a collaborative design and development process
- Developed a feature-rich Zoom app, delivering real-time meeting insights through the use of AI and machine learning technologies
- Spearheaded email framework migration, transitioning from SendGrid's template system to React Email
- Conceptualized and implemented a billing integration using Stripe, enabling us to commence billing operations with our initial customers
- Led complete overhaul of marketing website, using Webflow in combination with semantic HTML to provide a delightful first touchpoint for new users

Design in Mind   **Aug 2019 - March 2020**
Intern   *San Jose, CA*
- Leveraged local SEO strategies to increase main keyword position from #7 to #2 in local Google search results
- Implemented lead generation system, setting up Copper CRM, finding and tracking prospects, creating email templates, and conducting personalized outreach

SwingSlidePlay.com   **Nov 2018 - May 2019**
Owner   *Campbell, CA*
- Initiated an eCommerce venture on the Shopify platform, specializing in the sale of playground equipment and accessories.
- Oversaw a monthly Google AdWords advertising budget of $1000, driving approximately $10,000 in monthly revenue through effective management
